

TEMPLETON COMMUNITY CLEAN-UP

Volunteers Needed!

The annual Clean-Up event is hosted by the Templeton Community Services District in conjunction with EcoSLO and will reduce the amount of trash and pollution in our streets and waterways. Clean-up teams will be collecting trash from along community roadsides and are guaranteed four hours of community service.

This year, we are operating more independently. Volunteers will receive a clean-up kit with enough materials for 4-5 people to participate, and can clean up their assigned location throughout the week of September 23-30, 2020.

Clean-Up Equipment will be provided
